James F. Boynton, MD

“My goals are to provide the safest, highest quality plastic surgery to my patients in order to achieve beautiful and natural results.”

Dr. James Boynton is the most recent plastic surgeon to join The Aesthetic Center for Plastic Surgery, one of the largest private plastic surgery practices in Texas. He was voted one of Houston’s Top Doctors for Women in 2007 in H[®] Texas Magazine.

Dr. Boynton’s strong educational background is the foundation for his dedication to excellence, starting with his undergraduate education at Duke University and medical school education at the University of Texas Medical School at Houston. Of his seven years of postdoctoral surgical training, the final two years were dedicated exclusively to Plastic Surgery training at St. Joseph Hospital in Houston, which has a long-standing tradition of outstanding advanced training in aesthetic plastic surgery.

Dr. Boynton is also a member of the teaching faculty for the Methodist Hospital Plastic Surgery Residency Training Program. He is board certified by the American Board of Plastic Surgery and is an active member of the American Society of Plastic Surgeons.

Dr. Boynton continues to stay at the forefront of advanced techniques in plastic surgery by attending many local, regional, and national meetings devoted to aesthetic plastic surgery. In addition, he has traveled extensively to work closely with many world-renowned experts in many areas of aesthetic plastic surgery such as facial rejuvenation, breast enhancement, and body contouring.
