Paul F. Fortes, MD, FACS, FICS

“Utilizing the latest advances in plastic surgery, we can give our patients the results they deserve.”

Dr. Paul Fortes is board certified by the American Board of Plastic Surgery and by the American Board of Surgery. He has had one of the most extensive training periods of eight years in surgical residency, including three years of specialization in plastic surgery at Northwestern Medical Center in Chicago.

Dr. Fortes has always been at the top of his class at every level of his education, including graduating Magna Cum Laude from Rice University. He was also selected for membership into the exclusive Alpha Omega Alpha Honor Medical Society while at Baylor College of Medicine. He is currently a Diplomat of the American College of Surgeons and the American Society of Plastic Surgeons, and he is fluent in Spanish.

Dr. Fortes’ philosophy is to help the patient to achieve the best, most natural result. Beginning with a detailed and individualized initial consultation and continuing with successful treatment plans, each patient is educated in the latest, most advanced methods of achieving his or her goals for improvement in appearance.

Picked as “Top Doctor” in Plastic Surgery in Inside Houston Magazine, Dr. Fortes encourages the patient to be an active decision-maker in the treatment plan.
